

TOOL INFORMATION

Date:

 Project no: 20240516.1MB
(fill Opengrain)

COMPANY DATA		NAME:	VAT no:	
		Adress:		
Contact person		E-mail:	Tel.:	
Range of services	•			Parts quantity:
Customer part no:				
TEXTURE:	TEXTURED: new texture <input type="checkbox"/> repair <input type="checkbox"/> sandblasting <input type="checkbox"/> gloss adjustment <input type="checkbox"/>			
	Texture type:	Depth of etching:	Plastic type:	
	Texture area: drawing / 3D data <input type="checkbox"/> part <input type="checkbox"/> GDS (Graining Data Sheets) <input type="checkbox"/> other:			
ENGRAVING :	chemical <input type="checkbox"/> laser 2D <input type="checkbox"/> laser 3D <input type="checkbox"/>		Engraving depth:	
	Engraving data: vector <input type="checkbox"/> 3D data <input type="checkbox"/> other:			
WELDING:	surface/edge repair <input type="checkbox"/> shape modification <input type="checkbox"/> other:			
	area and dimension of repair: drawing / 3D data <input type="checkbox"/> plastic part <input type="checkbox"/> other:			
POLISHING	polishing <input type="checkbox"/> grinding <input type="checkbox"/> other:			
	Surface quality: before: Rt =	After polishing: Rt =	Color and type of material:	
Place of services	In OPENGRAIN division <input type="checkbox"/>		In customer plant <input type="checkbox"/>	
Deadlines	Possible date of issuing the tool to complete the order:			
	Start-up date after the service:			
Material information	Steel <input type="checkbox"/> description/symbol:		Aluminium <input type="checkbox"/> description/symbol:	
	improved <input type="checkbox"/>	hardness:	Bronze <input type="checkbox"/> description/symbol:	
	tempered <input type="checkbox"/>		Graphite <input type="checkbox"/> description/symbol:	
	N/A <input type="checkbox"/>	Nitrided: YES <input type="checkbox"/> NO <input type="checkbox"/>		Surface quality before: <input type="checkbox"/> milling <input type="checkbox"/> EDM <input type="checkbox"/> grinding <input type="checkbox"/> old polishing/corrosion <input type="checkbox"/> welding areas <input type="checkbox"/> leak/break <input type="checkbox"/> others:
Further tool processing	Nitrided <input type="checkbox"/>	Polishing <input type="checkbox"/>	Texturing <input type="checkbox"/>	other:

I declare that the data provided above are consistent with my knowledge and information previously provided for the purposes of preparing the price offer. In case of any changes occurring in previously declared data or any other existing conditions found during the processing of the order, client accept changes in the valuation without the need to change the price offer in writing. However, the contractor is obliged to immediately provide information in writing or by telephone about such discrepancies and any other problems, including price and deadline changes.
